Togetherness

It was everywhere
this year.
In the beginning, it wandered
its way in silently
and slow.
Students were aware of its presence
but not of what it was.
This wonderful thing was in the
classrooms, at school
events, and
lingering among the halls.
Where did it come from?
Its seed was
last years pride. That which
compelled us to do our best in prompting
the dignity of our
school. There, the
devotion to mutual achievement and
support sprouted.
It is the feeling of close
unity that developed from working
together for our school. What is it?

The Mighty The Proud The SENIORS

HI MOM!

People at Norwalk this year were very dedicated to their school. They came out and participated in all the pep rallies, games, and other interesting activities. Everyone cheered our teams to victory. To any extent, everyone knew this was an exciting and great year at Norwalk High!

PEOPLE

The Junior Class this year was very active. Led by Christie Alcaraz, Junior Class President, they had five fund-raisers, all helping to finance the Junior Class Prom. The Prom was the highlight of the year,in which the Juniors made great efforts to make it a success. Over all the Juniors showed much spirit. Juniors thought of themselves as the rulers of the school this year, and they definitely showed it with tons of school spirit.

The Sophomore class started the year off in high spirits. They attended all pep rallies, where their spirit was clearly shown by winning the spirit stick. Led by Sophomore class President Fernando Sanchez, they had 5 fundraisers. They began with the Thanksgiving Turkey Gram, and ended with the Marriage Booth at Sadie Hawkins. Towards the end of the year, the Sophomores pride grew even more as they got to order their class rings.

The 8th graders got their first real taste of high school in 1986. The class showed lots of spirit at the pep rallies. Their class theme is the Class of "90" Proud and Loud. We hope the class of 1990 keep their positive spirit alive throughout their years at Norwalk High.

1. *Why are you taking a picture of me?*
2. *The on-looking crowd.*
3. *Want some?*
4. *Show us those fish lips.*

1. *Talking about their day.*
2. *I'm ready for anything!*

3. *The serious look.*
4. *Don't break the lens with that big smile.*
5. *Looking for friends.*

Bernie Sosa

June 17 1986 its been two years and a couple of months were had lots of ups and downs but I guess everybody has to go through this when their young but I think we really can make it because what I feel for you is something diffrent I've never felt like this before, and I hope you feel the same way for me as the same way I feel for you. I really want to say that I am glad to say that I am with you.
and I want you to know that I'll always be there for you and to tell you not to be fucking around in school and do your work so you could graduate you only have one more year to go, I think its better now that your dad knows about you and me now we dont have to be hidding around like we use to do before

SENIOR CLASS CABINET

The Seniors of 86 remained very busy throughout the year. First, the Cabinet and the Class were involved in the planning and reconstruction of Senior Square. Soon after, the Seniors were kept busy planning for the pep rallies, dress-up days, the football games, and the Homecoming dance. Throughout the year there were also plans made for such fundraisers and activities as Senior Ditch Day. Finally, the time came for the last Senior breakfast, Vespers, and Graduation.

What is meant by the "Pride of 86"? Unity - the fact, quality, or condition of being one and indivisible by nature or definition. This is the definition of the "Pride of 86". The Seniors of 86 developed feelings of pride, closeness and unity, that grew stronger and stronger each day. The Seniors pulled together when problems arose, never losing that feeling of togetherness. The pride was shown in everything they did; from pep rallies to Powder Puff. The Pride of 1986 will live on forever and will never be forgotten. WE LOVE YOU SENIORS!

ALMA MATER

Loyal to Norwalk
Alma Mater true
Guide of our dreams and
Of the deeds we do

We sing thy praise from
Purple mountains to the sea
Norwalk our Alma Mater
Hail to Thee!

We will remember
These our golden years
Hearing the echoes
Of our ringing cheers
Failure, or Victory
Still our loyalty will be
Norwalk our Alma Mater
Hail to Thee!

What is a senate? A senate is a group of representatives from every home room on campus, who met once a month. They dicussed the school's activities, such as dances, fund raisers, and school improvements. Opinions and ideas of the students were accepted at all meetings. The Senate meetings were held by the A.S.B. Cabinet, supervised by Mr. Terry Bales.

The senators for 1985-86 attended several meetings throughout the school year. They worked very hard and were dedicated. Thanks to those Senators, Norwalk High School is headed for major improvements.

Yearbook Staff

The process of putting together an annual that will please everyone on campus is not an easy task. Nevertheless, with all members pulling together as a team, this year's staff did a very fine job. At times, it was hectic, but thanks to Mr. Rick Secoda's easy-going attitude, the pressures seemed to lessen. (Of course, he knew when to lay it on us too!!) Overall, it was a great year for the staff.

Cal Cadets

What are Cal Cadets? This question was asked throughtout the 1985-86 school year. The Cal Cadet Corps are designed to give a specific group of students the opportunity to establish some basic training in military operations. This also prepared them for the their future in the Armed Forces. Many cadets had different preferences as to which branch of the Armed Forces they would attend after graduation. Some of these included the Army, Navy, Air Force, Marines, and the Coast Guard. They might seem like to the same thing to the average student, but not to the members of the Cal Cadets. Each cadet has a very special meaning for each one of the branches of the military. So remember, that one or more of these students will most likely be defending you and your country in the future.

The curtain raised once again to a big box office hit. As Norwalk's drama department presented "Joseph and the Amazing Technicolor Dreamcoat." A very long and tongue twisting name but a great fall musical. The drama department has been growing each year with new and more talented performers. These young people put many hard working hours into this play and they paid off well, for this fall musical was a big hit. Let's see the same thing next year. To Mrs. Regalado, The directors, the cast and crew, congratulations on a job well done!!!

THEY'RE AWESOME!

This year, Norwalk High School's 1985-86 Varsity Football Team, displayed alot of talent and enthusiasm. They battled through a tough pre-season schedule, ending with victories over Bassett and Edgewood High. They went through pre-season being 2-2-1.

League opened for the hard-hitting Lancers when they played against the Pioneers of Artesia on October 18, 1985. Due to the field goal made in the last three minutes of the game by John Onofre, the Lancers came away with a surprising, upset win over the Pioneers, proving that they were number 1. The final score was 16-14. The Lancers had not beaten the Pioneers since 1981.

The following week was Homecoming for the mighty Lancers. Although they fought hard to gain another victory, the Lancers lost to the Bucs of Bellflower, 14-0. However, looking into the three remaining games, the Lancers were determined to win!

This year's team consisted of thiry-five hard working athletes. Sixteen seniors lead the team, while fifteen juniors and four sophomores proved that they were also important factors of the games. The offense and defense worked equally hard and brought success to Norwalk High.

Girls Cross Country

1

The 1985-86 Girls Cross Country team had a competitive season. Losing only to Bellflower in duel competition, the lady Lancers finished the season with a very respectable 5-1 record. The girls also did well at C.I.F. play-offs.

Lead by Junior Virginia Villegas, the girls continued to improve throughout the season. The girls Varsity team consisted of: Virginia Villegas, Michelle Autrey, Nancy Nguyen, Chris Morey, Rosa Nogal, Jeanette Daily, and Joy Waller.

Building a competitive girls team takes discipline, sacrifice, talent, aNd above all, determination. This year, the girls displayed all of these qualities, and they should be proud of a job well done.

Varsity Cross Country

This season our Norwalk Lancer Cross Country team continued its dominance in the Suburban League as the Boy's Varsity captured its sixth straight league title. the Junior Varsity and Frosh/Soph teams also took first place in the league. The girls team took second.

Practice for the season began in July for pre-season conditioning. Competition began with a victory over El Rancho who was ranked eighth in C.I.F. standings this year. From there, the team never looked back, completing the season with an outstanding record of 46 straight victories in dual competition. Another highlight was the Boy's Varsity placing third at the Mt. SAC

Invitational, the largest in the United States. The Varsity team consisted of: Ignacio Lopez-Suburban League Champ-, Joe Aguirre, Rami Hamouda, Chris Burton, Robert Motsenbocker, Robert Holguin, Marco Perez, and Mike McLaury.

After having such a successful season, with only one member graduating, it looks as though the Norwalk Lancer Varsity Cross Country team will continue their dynasty of champions.

The 1985-86 Soccer team had a season of many disappointments, with 2 wins and 6 loses. Even through the hard times, the team members stuck together to show their pride and determination to win. This year's leading scorer was Rick Martinez who played in the forward line. Pablo Mencos, who played in the half line, was best at pressuring the opponents to give up the ball. Throughout the year, the defense remained strong, with Tony Bejarano as the fourth man defense and Mark Anderson as center defense. This team was young and had the chance to make it big, but what hurt, the team the most, was the lack of working as a team. With only three players leaving, the team is looking forward to having a successful season next year with the experience gained from this season.

VARSITY BASKETBALL

This year the Varsity Basketball team had a triumphant season. Although the was young and inexperienced, it proved to be an offensive threat with Jimmy Buentello and Corey Jennings making at least seventy percent of the points scored. In addition to the strong offense, the team based its games on intense defense.

The highlight of the season was the last game played against the Monsoons of Mayfair. The Lancers had to win in order to tie with Mayfair for the title "Suburban League Champs". Even though this victory was not gained, the Lancers still ended up as one of the best basketball teams, taking second place in the Suburban League.

This year's Freshmen Basketball team began the season unexperienced. Starting the season with losing their first two games to Bellflower and La Mirada, they gained some experience on how the game is played.

Winning their next game against Artesia, 63-45, they fell again to defeat against Glenn 50-37.

After a season of ups and downs, the team ended with a record of 8 losses and 2 wins. The lancers gained much experience from this unfortunate season, and they are looking forward to a successful season next year. Good Luck!

Lead by coach Bill Moyer, the team included: Andrea Benn, Brenda Castaneda, June Cox, Jeanette Daily, Pilar Gutierrez, Mandy Herbst, Yolanda Ontiveros, Laura Oxborrow, Kristy Pentecost, Lisa Stafford, and Rene Villani. Throughout the season the girls worked long and hard with little discouragement. They pulled together with their teamwork with much dedication and gave their opponents great competition.

This year's girls J.V. Basketball team gained a year of experience. Throughout the season, the members of the team worked very hard to reach their full potential. With the experience gained from pre-season, the girls proved to be tough contenders in league play. Considering the teamwork and dedication met by each member, the team can be proud of their efforts made.

The team consisted of: Eunice Armadilla, Danita Karatzas, Rachel Padilla, Liz Ramirez, Nora Rutherford and Debbie Valdez.

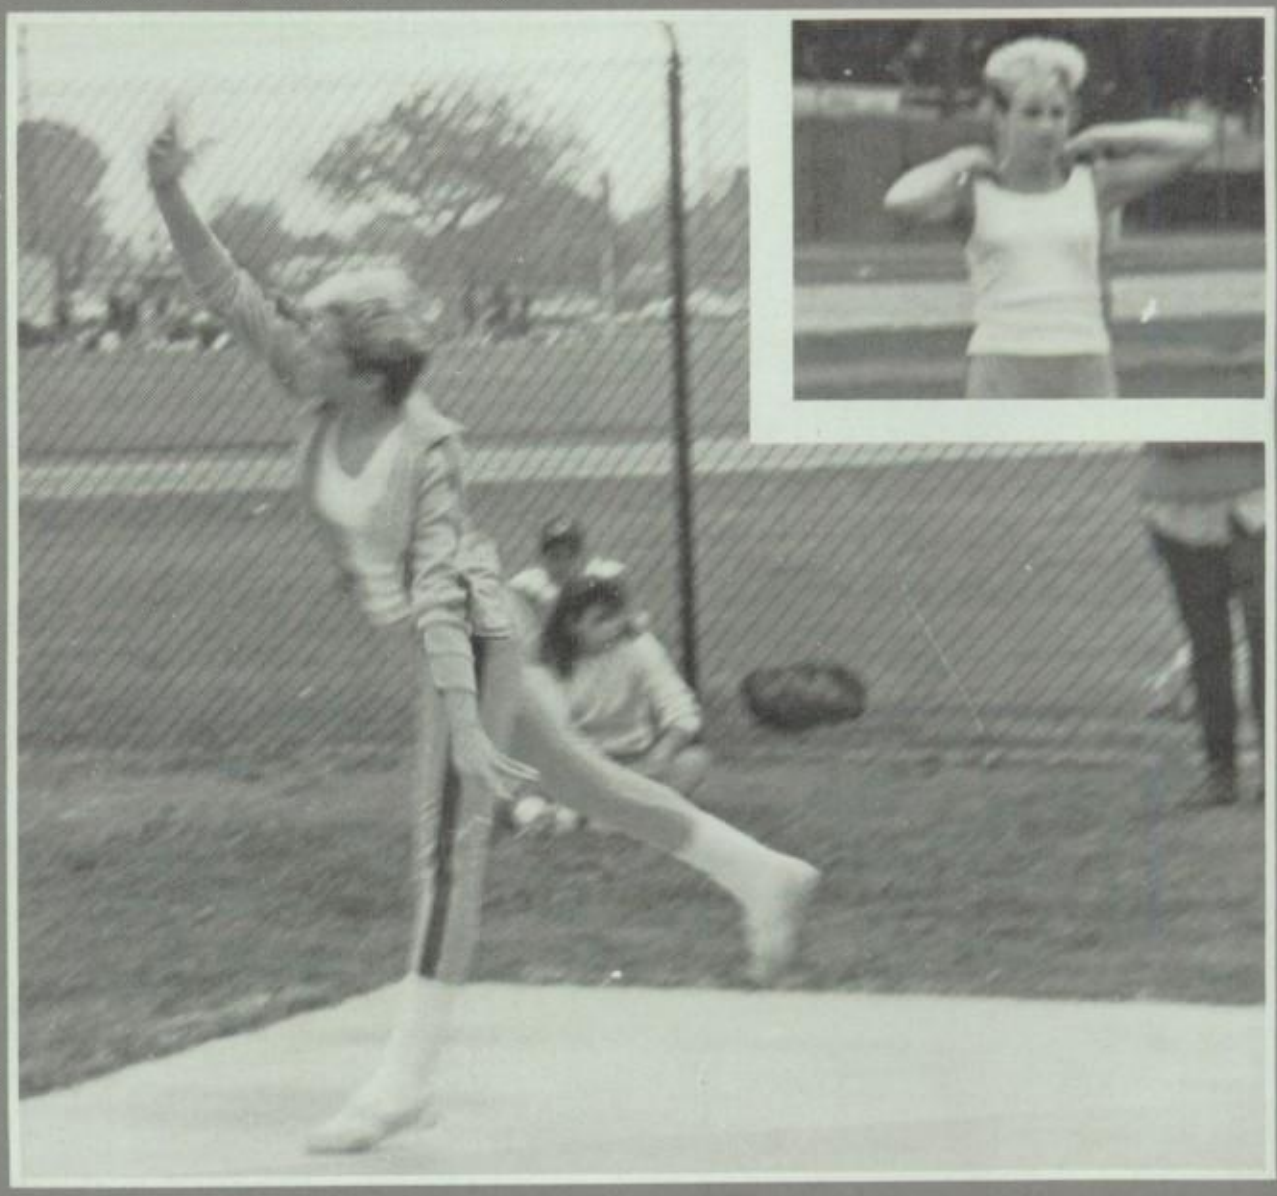
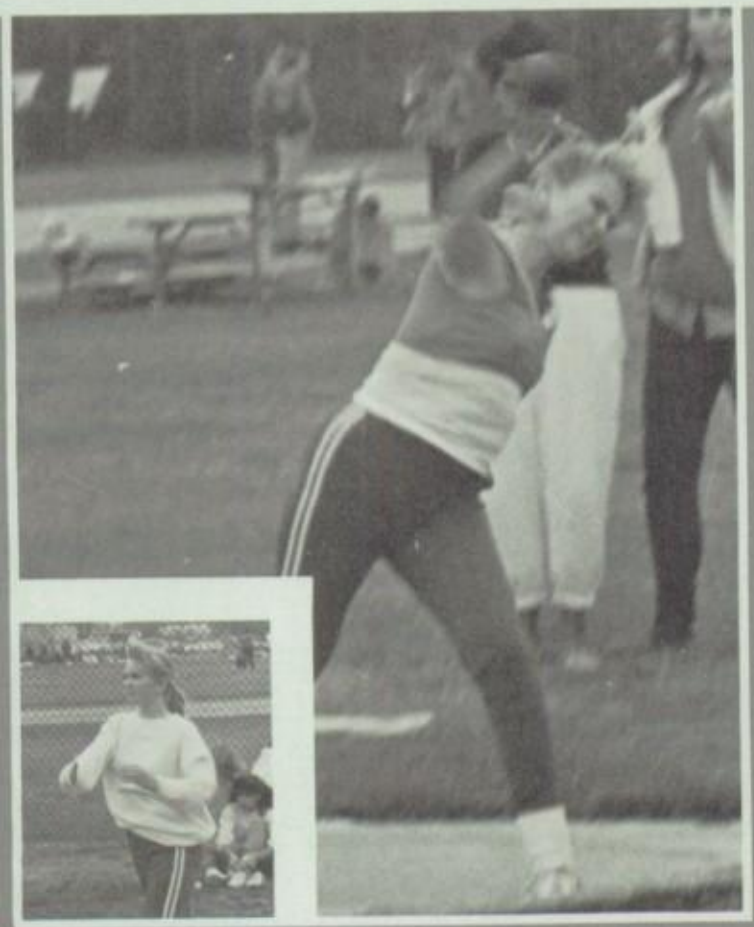
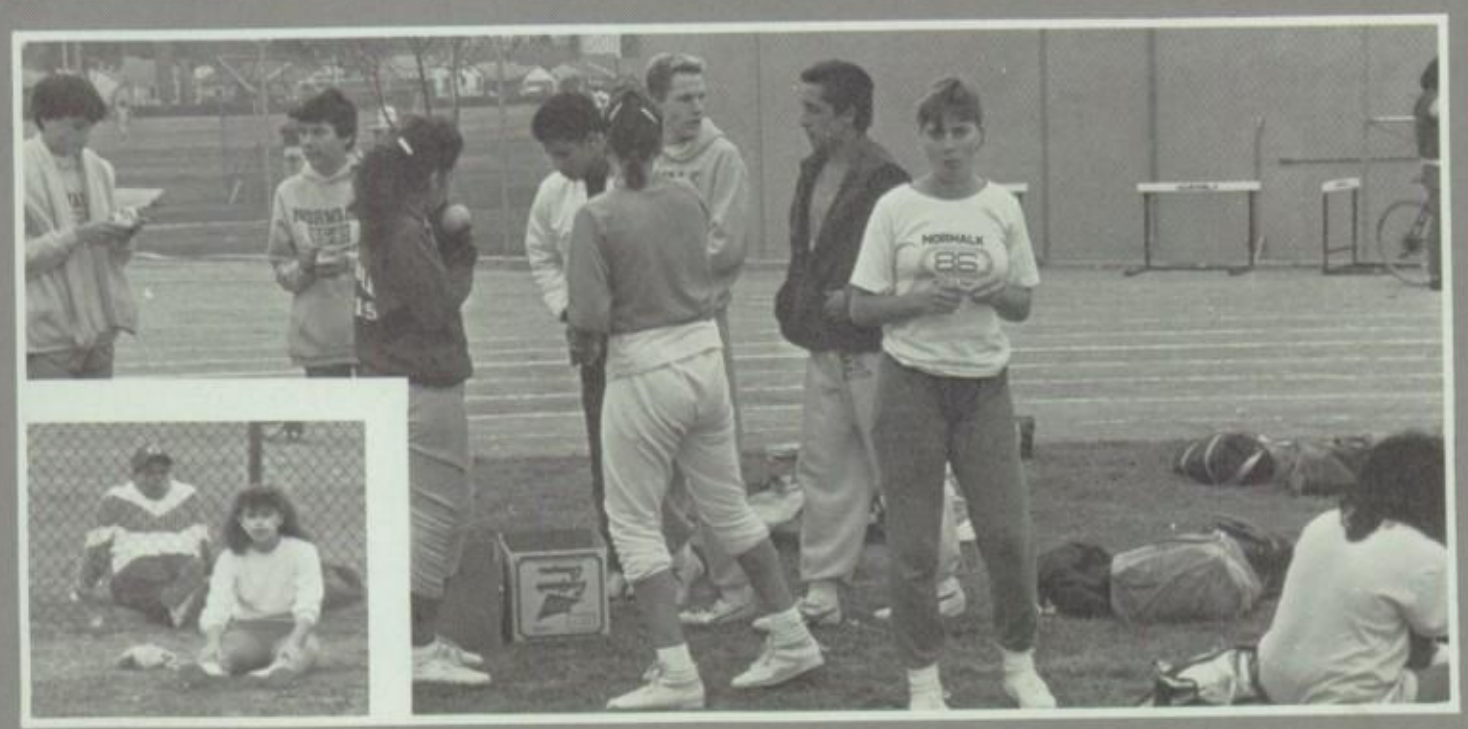
The 1985-86 Boys Varsity Track Team appeared to be very promising with the Distance Runners under the direction of Coach Avril, the Sprinters under the direction of the Coach Van Gordon, and the Field Events under the direction of LCoach Hudson. Team Captain Andy Nogal lead this fine team of talented young men.

This past years point winners seemed to be in the High, Long and Triple jump events. Each boy went out and did his best not only for himself, but for his team. The Boys Varsity Track Team were very dedicated and had a tohetherness that was the main factor in helping them win. All three coaches had much to be proud of.

Girls Varsity Track







The 1986 Girls Track Team started out the season with the goal to keep it's title from last year as Suburban Lea- gue Champs. This team consisted of 8 seniors, 13 juniors, 10 sophomores and 11 freshmen; with 12 returning letter- men. Unfortunately, the team's distan- ce events were it's weakest; where-as in the past,these events had always been it's strongest. Nevertheless, the field events ,lead by Michelle Evans, brought in a great number of points during the season. In general, the team was sucessful with many personal records, thanks to the coaching staff and encouragement of captain Chistina Morey.

The 1985-86 JV Softball team lacked the experience needed to prove themselves as a good team. Due to rain at the beginning of the preseason the team did not do very well. Most of the games were cancelled, but it made the team want to try harder. Their spirit did not die. Led by Coach Renee Edwards they hoped to have a sucessful season, but did not achieve this. Most of the players were inexperienced in the key positions, such as short stop, first base, and catcher. Their main weakness was the fact that they only had one pitcher, Kelly Ponce. With all the problems they had, they still continued to try their hardest and had the spirit that made them a team.

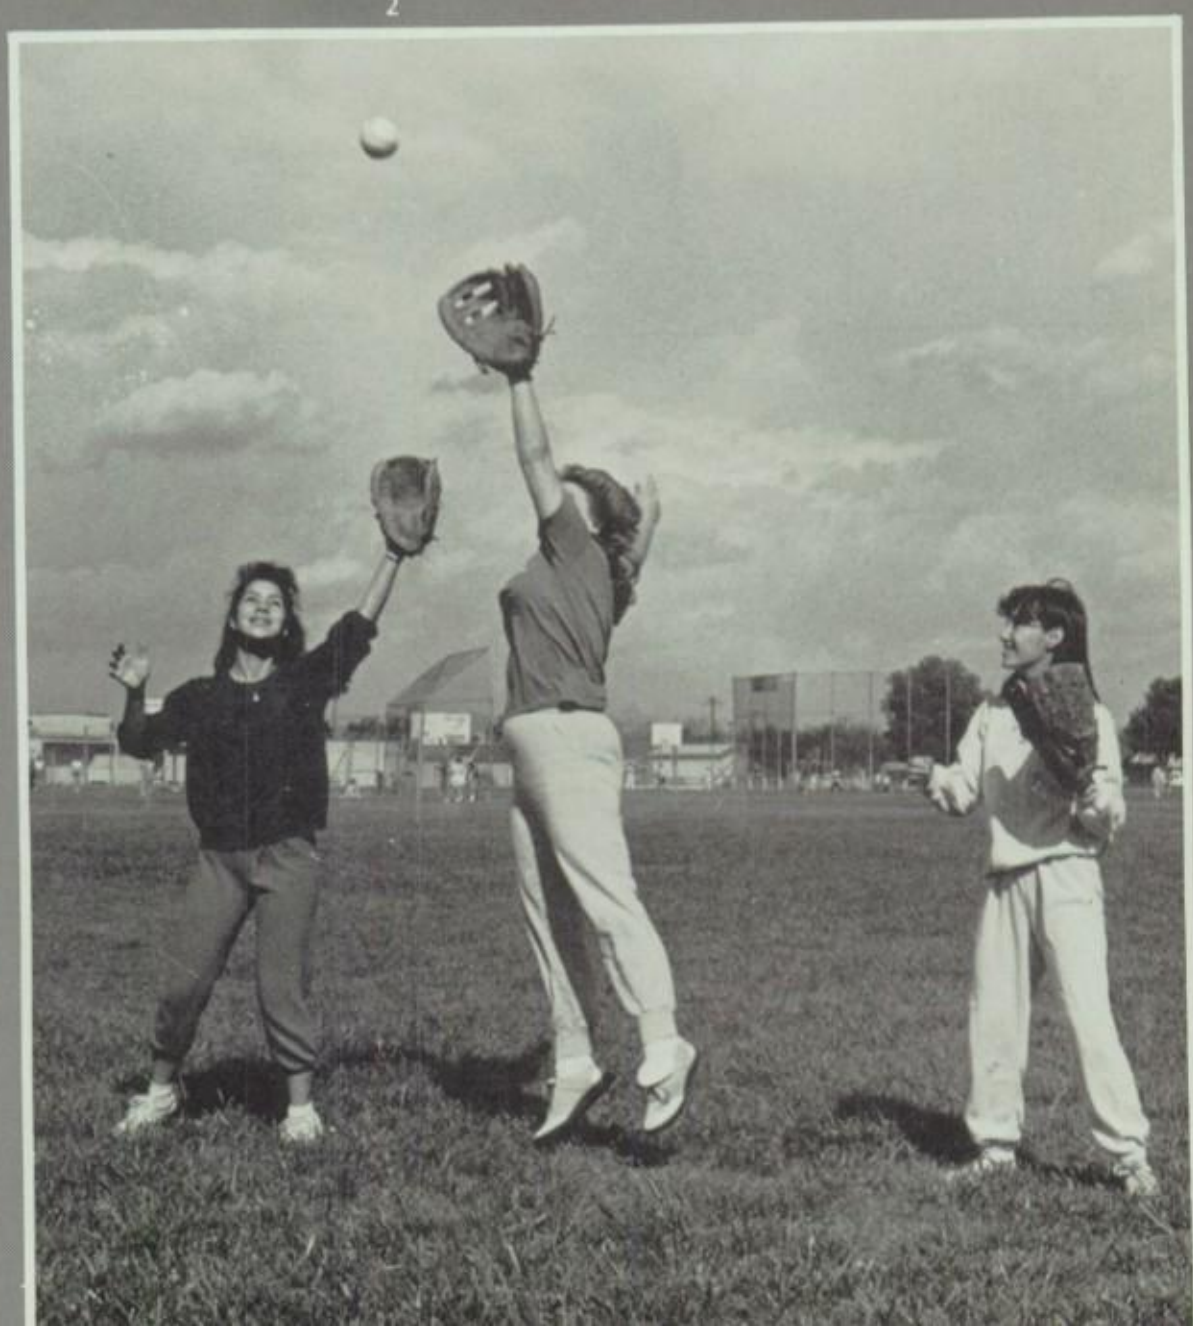
The 1985-86 Girls Varsity Softball team got off to a good start winning their pre-season games. The girls were very determined to be champions they held practices from 6th period until 4:30 p.m. Their coach, Annette Gonzalez, said, "Those girls have the potential to be just that, champions, with the correct training and practices these girls can take it to the top. There was also a big plus for these fine young girls, they had most of the team returning lettermans from last year. The Girls Varsity Softball was a very successful team.



RIFLE TEAM

The 1985-86 Norwalk High Rifle Team started the year off competing at La Puente High School. The team was in both first and second preliminaries and took third place in each. Fads, Events & Music

It's amazing how the world around us eventually effects our small world at Norwalk High. The events of 86, the newest music and the latest fashions turned up all over campus. The political and world issues made us sad at times, proud at others. Perhaps the loss of our Challenger Seven Crew was the most tragic event of 86, bringing a common grief among all people. In the end, the events, music and fashions of the past year triggered a silent change that at one time or another, came over each and every student.

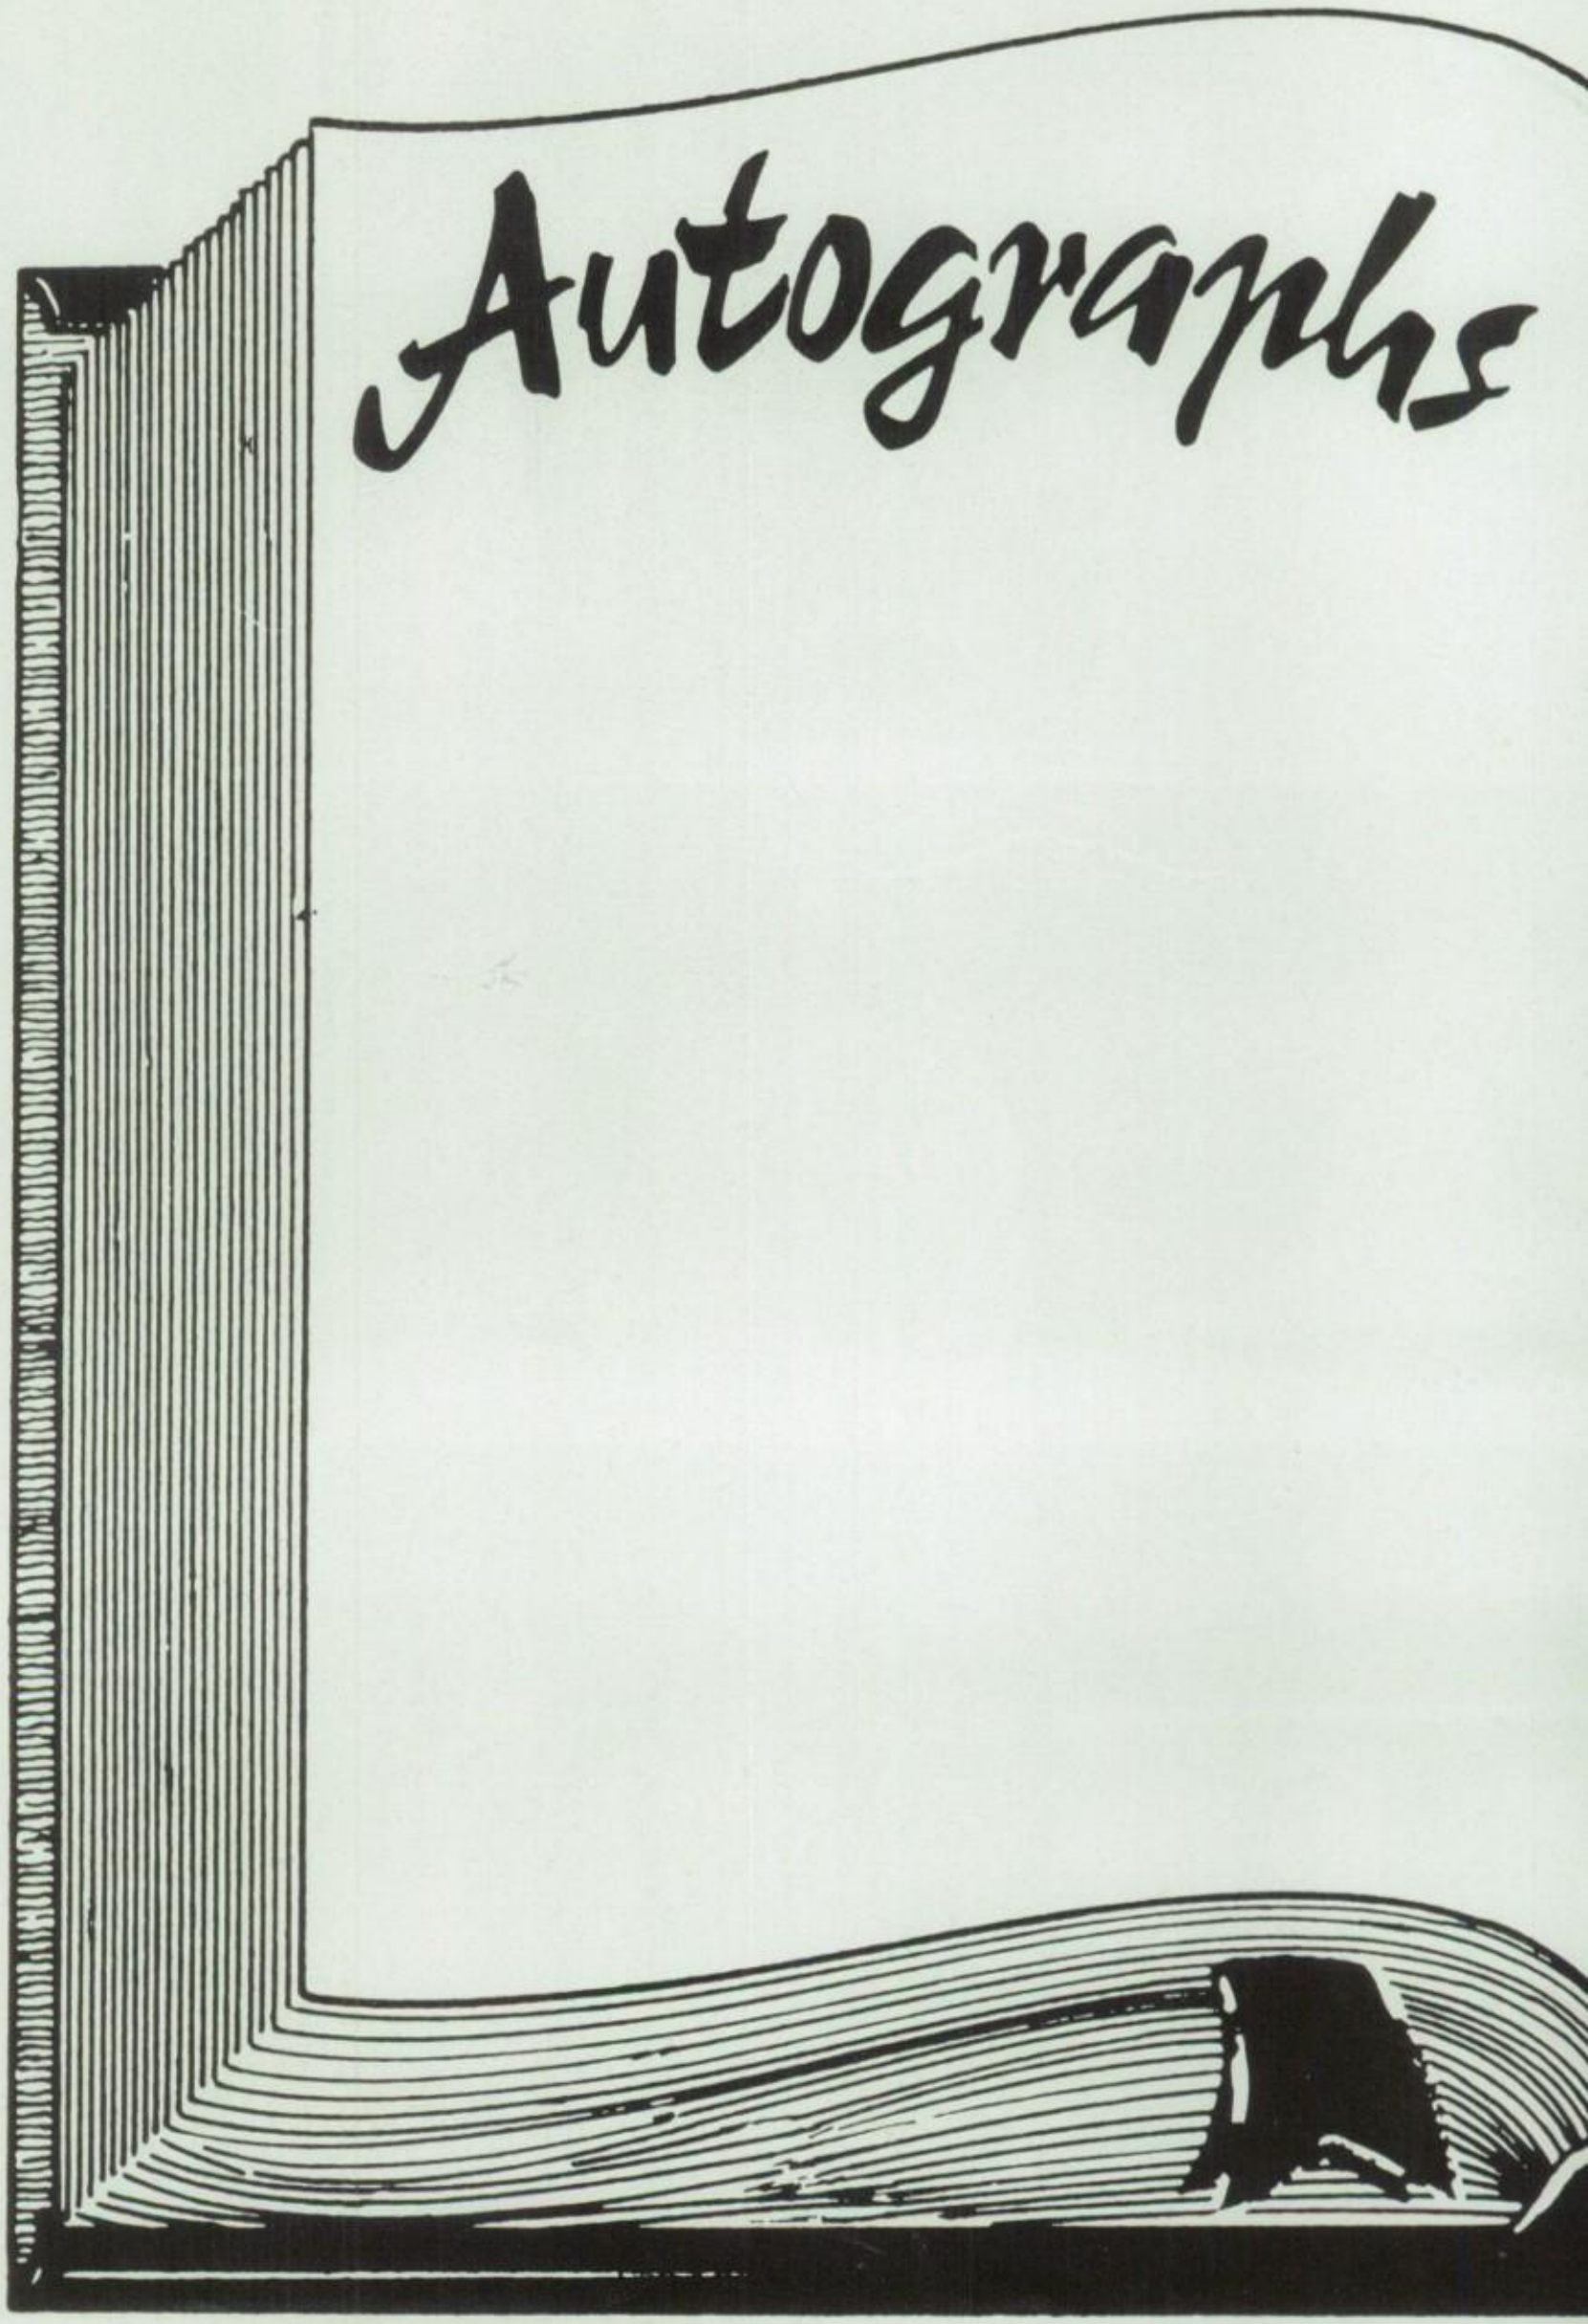
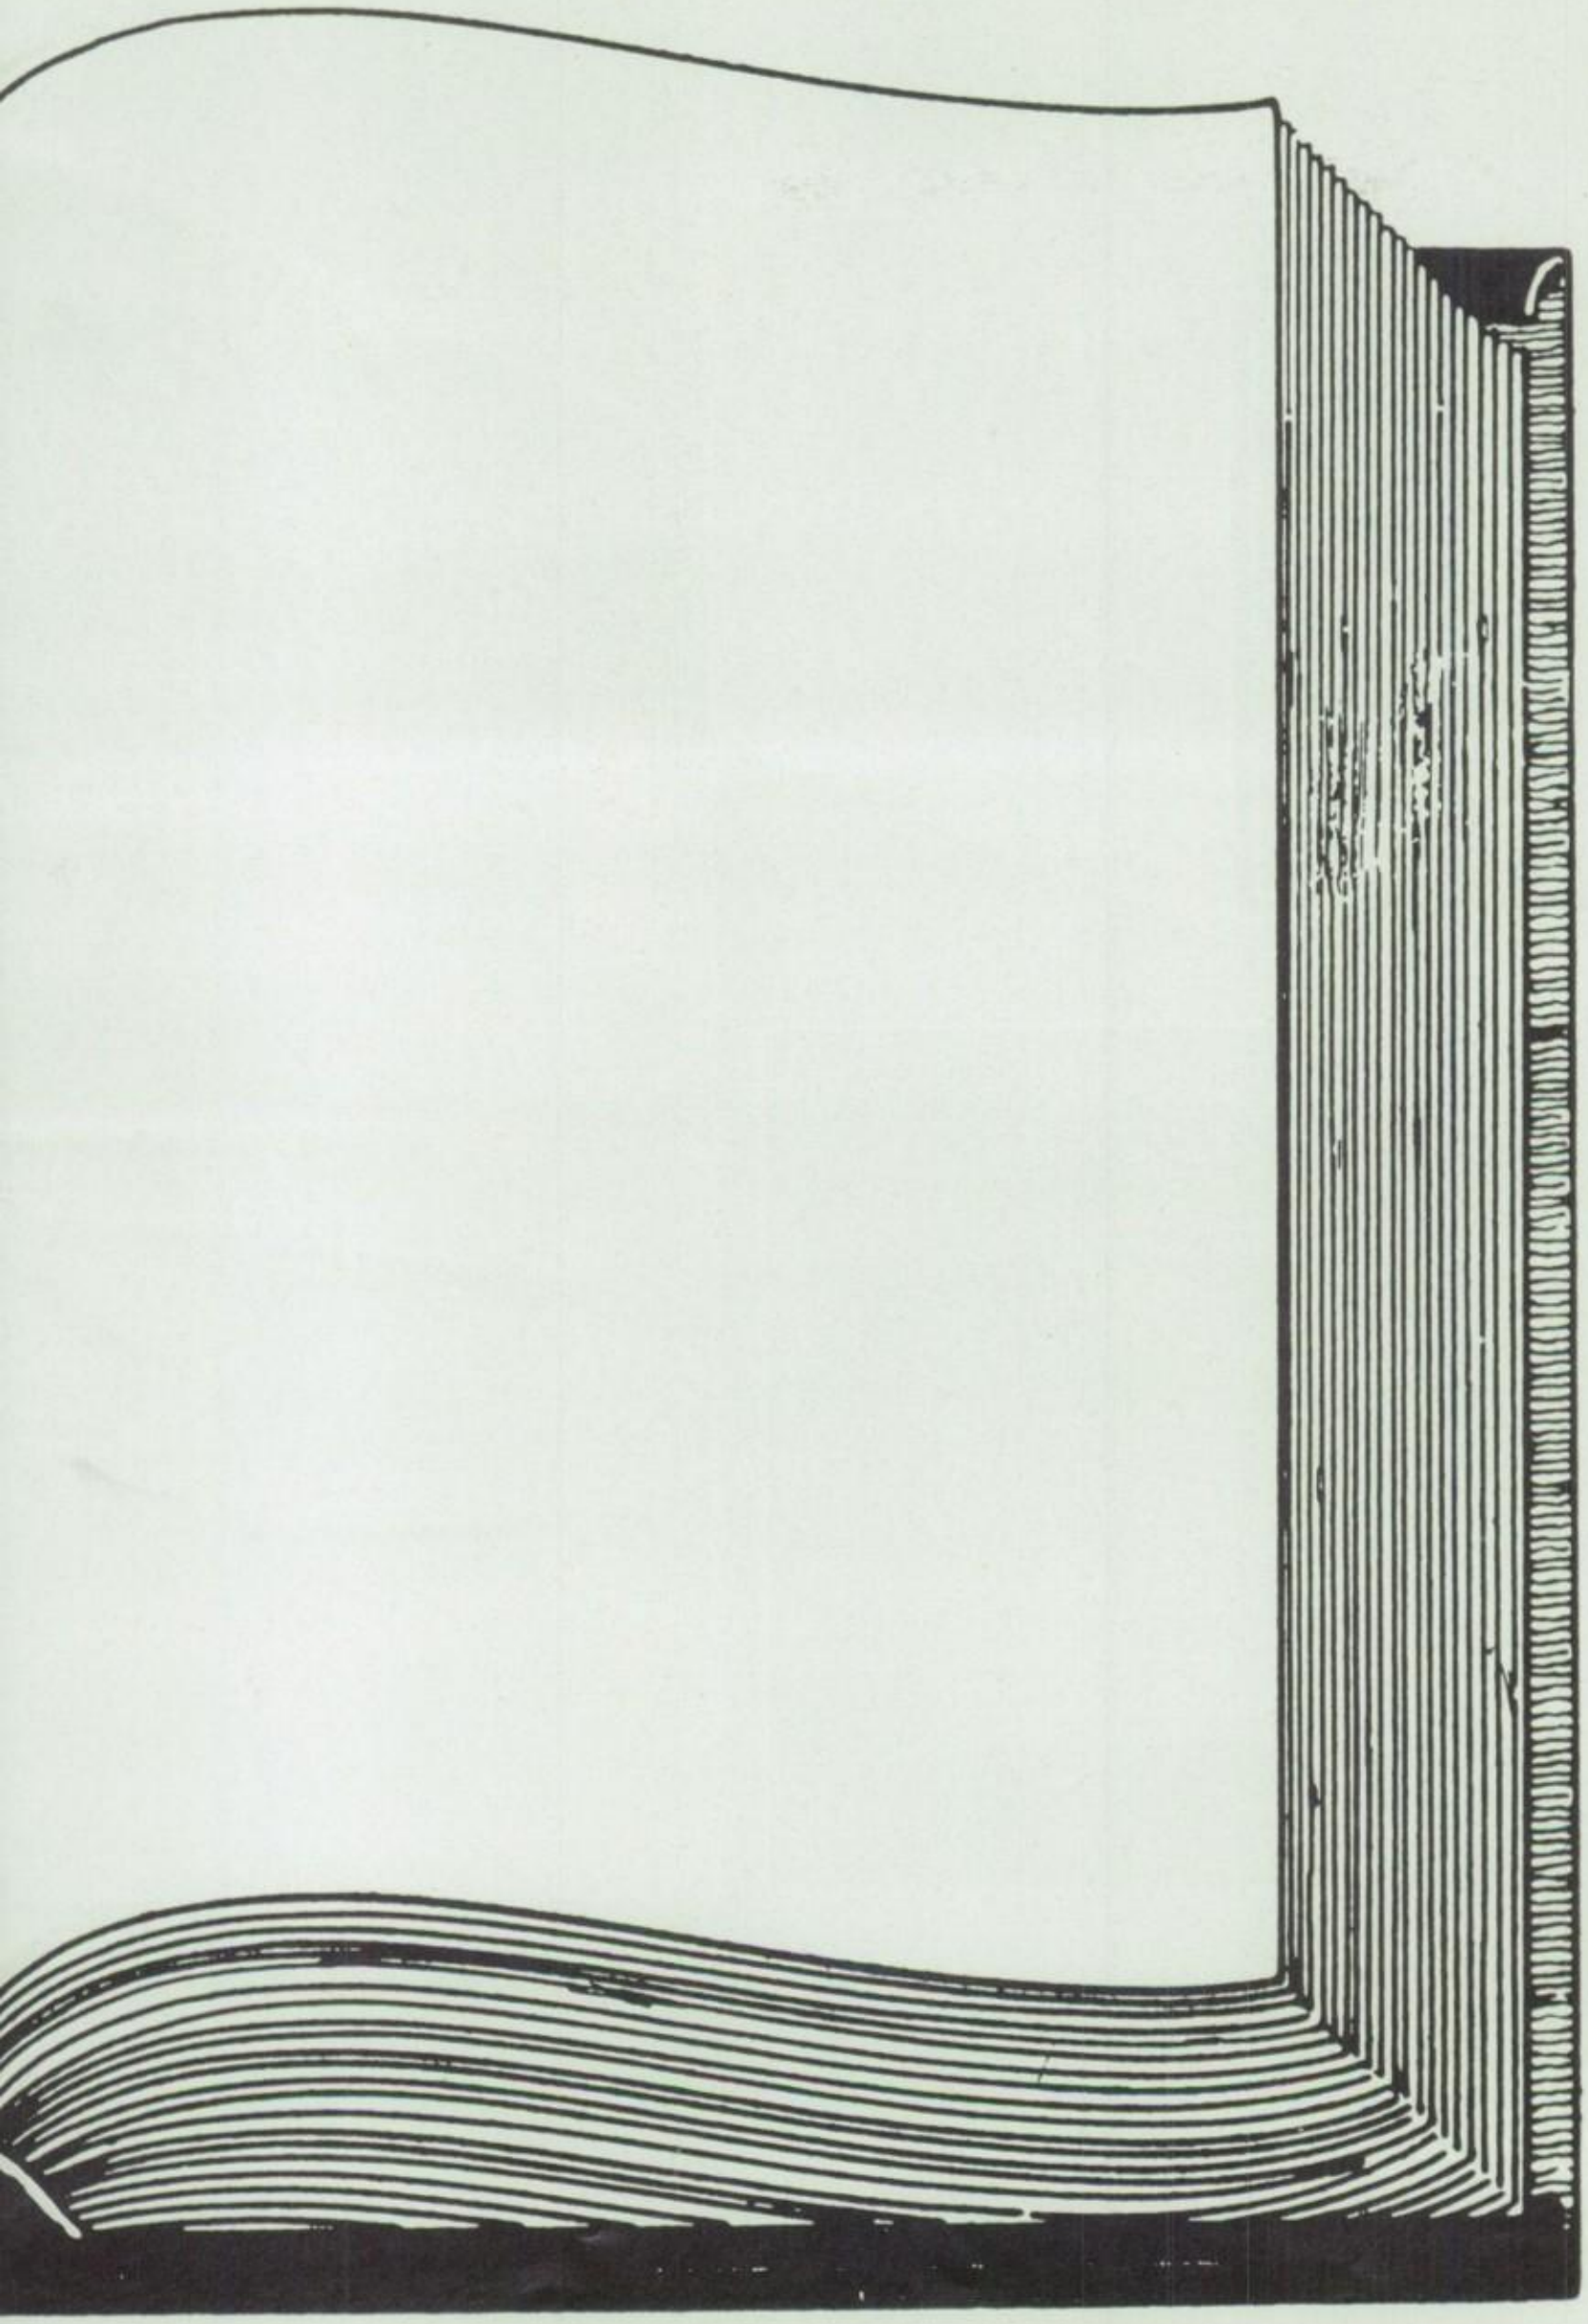
Autographs





Where does the time go?
Is it swept away by the wind,
Or does it just pass on the hands
Of a clock?

Where have our times gone of child's
Play in the park?

What happened when we
Wanted time to past,
Days that were sad and all
Went wrong?

They finally disappeared,
But ever so slowly.

What about those events that were Exciting
When we wished for time to stand still Times
when we were being held by
Gentle arms of one who cared?
These times always passed too quickly. Where
does time go?

These times don't go anywhere-they Become
Memories; time merely passes and
Takes us along with it,
To a place where new times await.

And the old times become
Someone elses.

NORWALK HIGH

Togetherness in 1986

The year of TOGETHERNESS is now over. The books have been returned and finals are over and done with, especially for the Senior Class of 1986. Registration for next spring has been taken care of and for some seniors college registration too. The gates of school will now be closed for the wonderful months of summer, for everyone is ready for a rest. The school year of 1986 is now over; it has finally come to an end. However, the end of this school year is just the begining for some, such as the class of 1990; for next year they will come back as experienced freshmen. As for the seniors of 1986, finishing high school is their start to bigger and better accomplishments, but let them not forget Norwalk High. The year of 1986 was their year when school spirit came alive, when all who represented this wonderful school showed that together, they were proud. But most important, let the seniors remember the friendship they shared as a class and the individuals and the events that made those wonderful moments at Norwalk High so special. Graduation is painful, but silently pleasant, for now the class of 1986 is free of the pressures of high school. May the good memories of Norwalk High keep them all together. Good luck and best wishes!!! This year is over, but come September the gates of Norwalk High will be opened, waiting and welcoming all who will return.
